

University of Kentucky History Department
Application for the Rowland Community Internship and the Ireland Research
Scholarship

Return the completed application to Dr. Melanie Goan in 1741 POT by noon on April 22, 2019.

Name _____

Student ID # _____

Major/Minor _____

E-mail address _____

I am applying for: Rowland Ireland Both

Please construct a well-thought-out essay capturing the ideas below (up to 500 words):

- a. Describe the experience you are pursuing this summer.
- a. How have your studies up to this point prepared you to take full advantage of this experience?
- b. How does this experience fit into your academic, career and/or research goals?
- c. Will this scholarship enable you to take advantage of an opportunity that you couldn't otherwise afford? Please explain.
- d. Explain the research component* that you expect out of this experience. (Point d. is required for Ireland Scholarship and optional for Rowland scholarship).

*Research is defined broadly to include work in primary and secondary sources as well as research conducted in the course of an internship or study abroad experience.

**Please attach any available documentation that shows that you have officially been accepted as an intern or to a study abroad program or provide a 1-2 page research statement. Include an unofficial copy of your transcript, and a resumé or *curriculum vitae* with your application.
